

Nordic Tender Specialist

We are looking for a Tender Specialist to strengthen our Nordic team. A full-time position placed at one of our offices, either in Oslo or Aarhus.

The Position

The Tender Specialist will be responsible for the tender business across the Nordic countries. The product portfolio will include high-quality and exclusive key labware, reagents and instruments. The job is office-based.

Principal Accountabilities

- Responsible for tender processes and negotiation of contracts with key accounts and purchase departments.
- Collaborate with suppliers according to AH diagnostics' values and business strategy
- Implementing customer agreements and managing customer catalogues.
- Working with key internal and external stakeholders.
- Actively seeking for tenders for new business opportunities
- Establish connections and customer relationships with the strategic procurement departments.
- Work together with the Nordic team to develop Tender strategies for the defined products.
- Continuously improve tender processes and tools to enhance efficiency and success rates

Background and Competences:

- MSc (Master of Science), BSc (Bachelor of Science), Medical Laboratory Technologist or equivalent qualification in a scientific subject and significant experience in a similar role.
- Experience in working with tenders and framework agreements.
- Strong business understanding and analytical skills.
- Fluent in local language and negotiation level in English - both in written and spoken language.
- Proficiency in Microsoft Office
- Have experience in using Merccell
- Strong organizational and project management skills.
- Demonstrated ability to work alone and as a part of a team.

We Offer

We offer you an exciting and challenging position in a growing Nordic company. A position with continuous personal development and strong empowerment. We have a constant focus on being able to offer innovative and unique products within Life Science and diagnostics. A business environment where customers are at the center and where we combine humor with business. We offer a good salary package including, bonus, pension, etc.
