

Molecular biology workflow

Complete support for your molecular biology needs

Sample

Deepwell plate, 96-well
50 units
531557B

Save 447 DKK
437 DKK

PAE Swap with 4ml peptone water
+ 10% neutralizer
100 units
339050

Liofilchem®

Save 461 DKK
449 DKK

2 mL microtube with snap-cap
1.000 units
390692

ClearLine®

Save 59 DKK
129 DKK

Organize

Permanent pen, medium line width
1 mm, black
1 unit
929211

ClearLine®

Save 16 DKK
19 DKK

White cardboard cryobox
For 81 cryotubes
1 unit
972015

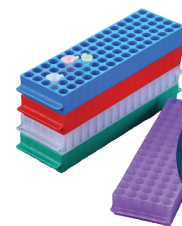

ClearLine®

Save 37 DKK
11 DKK

SPL microtube rack
1 unit
330136 White
330137 Blue
330138 Green
330139 Red
330140 Purple

SPL LIFE SCIENCES

Save 93 DKK
17 DKK

Homogenize

Ultra-turrax® dispenser
Tube drive only
250113

IKA®

GOOD PRICE
7.883 DKK

D1000 handheld homogenizer
062562

Benchmark Scientific

Save 1.953 DKK
13.714 DKK

Bead Ruptor 24 bead homogenizer
078257

OMNI International

Save 8.052 DKK
72.462 DKK

Purify

MagnetaPure Mini
nucleic acid extraction system
531623

Dutscher

Save 17.115 DKK
41.869 DKK

MagnetaPure 32 Plus
nucleic acid extraction system
255744

Dutscher

Save 56.490 DKK
85.260 DKK

MagnetaPure 96
nucleic acid extraction system
255745

Dutscher

Save 94.309 DKK
175.691 DKK

Protect

DNA and PCR workstation
Plexiglas wall model
490005

ClearLine

Save 12.701 DKK
11.460 DKK

RNase-ExitusPlus spray
500 mL
049912

**PanReac
AppliChem**
ITW Reagents

Save 323 DKK
225 DKK

PCR grade water
6 x 5 mL
6 units
257607

ClearLine

GOOD PRICE
234 DKK

Quality control

Mupid-one tank and generator
230 V
088900

Save 681 DKK
5.554 DKK

Ladder, 100-500bp, 0,5ml
257740

ClearLine

GOOD PRICE
248 DKK

Microvolume spectrophotometer
DS-11

DeNovix

SAVE 25%

Multiply

TurboCycler 2 Gradient
Thermocycler
255200

**BLUE-RAY
BIOTECH**

Save 10.632 DKK
44.241 DKK

Hot Disco Taq master mix
Ready to load buffer
257687

ClearLine

GOOD PRICE
445 DKK

dNTP Mix 40 mM, 10 mM each
257744

ClearLine

GOOD PRICE
368 DKK

Quantify

Cielo™ 3 and 6
Real-time PCR system

**azure
biosystems**

Biomark X9
Real-time PCR system

**STANDARD
BIOTOOLS**

Nio™ Series
Digital PCR system

STILLA

With access to millions of products through our Dutscher Group family, we can offer more than we can show in our webshop.

If you're unable to find the products you need, contact your local Product Specialists, who are ready to assist you in finding the best solutions for your research.

Our dedicated team of molecular biology specialists brings extensive experience from academia, pharma, and industry. We're here to discuss your specific needs and provide tailored support.

Your science - our focus
